STATE ELECTION COMMISSION- NCT OF DELHI

MCD ELECTION
2022

MESSAGE

State Election Commissioner

In the recent years, Panchayats and Municipalities have assumed greater significance as these local bodies are mandated to provide basic amenities that directly impact daily life of common masses. Elections to Local bodies, too, have gained greater prominence as local level democracy is the fundamental block of the entire democratic framework of India.

The State Election Commission in Delhi came into existence in October 1993 and over the years the Commission has overcome all challenges & obstacles to fulfill its constitutional mandate by successfully carrying out free and fair Municipal Elections in Delhi at regular intervals.

Consequent upon enactment of DMC (Amendment) Act, 2022 the erstwhile three Municipal Corporations of Delhi were unified to form a single Municipal Corporation of Delhi. Due to change in number of wards, fresh Delimitation of MCD wards was carried out in October, 2022, which paved way for conducting elections to the newly constituted unified Municipal Corporation of Delhi consisting of 250 wards.

Since the elections were already overdue, the Commission worked on war footing basis for preparing itself to conduct elections without any further delay. Schedule for Municipal Elections was announced with date of poll as 04.12.2022 and counting of votes on 07.12.2022.

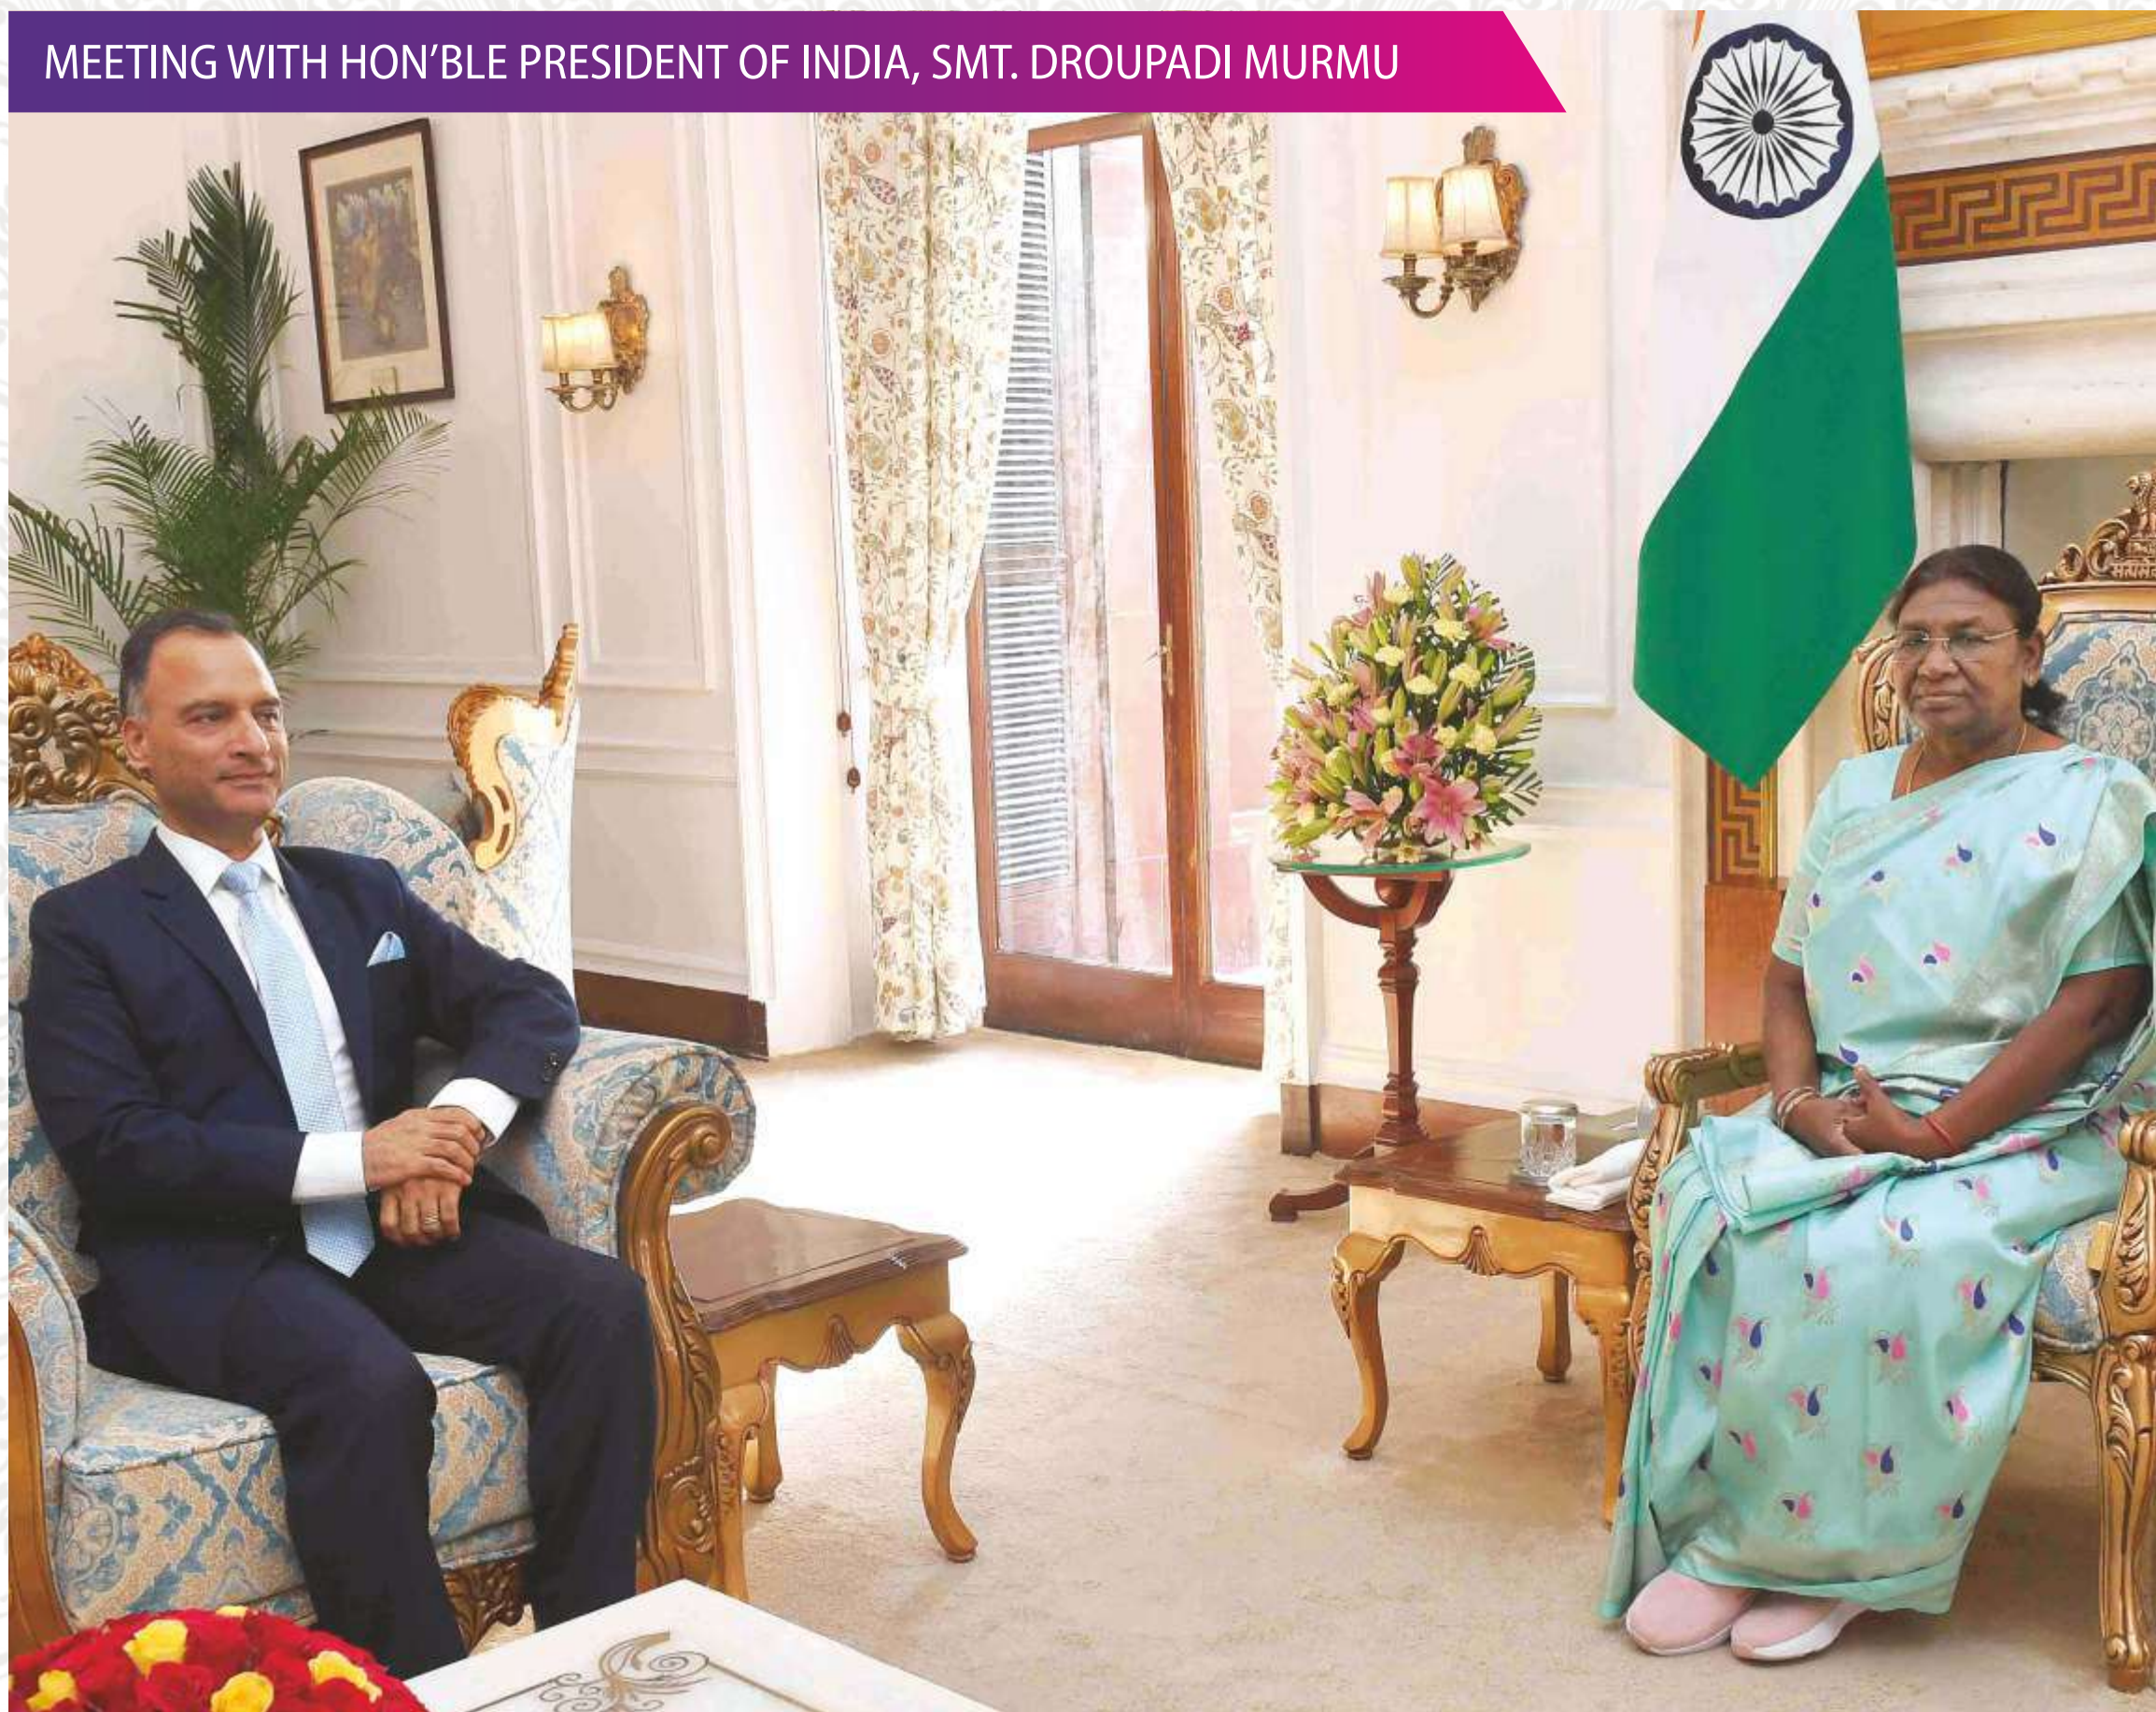

The MCD Elections-2022 were driven by use of extensive Information Technology. Special customized election software and unique mobile apps were used by the Commission and all-important election processes and actions were undertaken by the election functionaries on these e-platforms which enabled seamless flow of real-time information between various stakeholders thereby facilitating better co-ordination & control by the Commission. Besides the Information Technology initiatives, several other novel measures such as use of integrated electoral rolls, two-stage randomization of the polling parties and EVMs, launch of mobile app for generation of voter slips and to obtain voter information, facilitating ease of voting by Persons with Disability/Voters of age 80 years and above etc were undertaken by the Commission.

In order to empower, increase awareness and motivate the electorate for a robust participative democracy, the Commission launched an extensive Media Campaign through all available mediums of mass publicity of Print, Electronic and Social Media.

Through this Coffee Table Book, the State Election Commission, NCT of Delhi has strived to document the journey of General Elections to Municipal Corporation of Delhi- 2022. Coffee Table Book contains some glimpses of the MCD Elections-2022 process with a view to document and preserve the good work of our team.

Consequent upon enactment of DMC (Amendment) Act-2022, the erstwhile three Municipal Corporations of Delhi were unified to form a single Municipal Corporation of Delhi. The reduction in number of wards from 272 to 250 necessitated fresh Delimitation of MCD wards. The Delimitation process was completed in October-2022, which paved way for conducting elections to the unified Municipal Corporation of Delhi. The schedule for conducting elections to the newly constituted unified Municipal Corporation of Delhi was announced by Hon'ble State Election Commissioner in the press conference held on 04.11.2022.

The electoral management involved huge mobilization of more than 2,00,000 election officials and security personnel. The logistics management involved movement and deployment of Polling Parties/ EVMs/Election material and setting up of Polling stations, Strong Rooms/Counting Centres.

The Commission made all possible efforts for ensuring a safe, secure and pleasant voting experience.

TO BE MANAGED BY AN ALL-WOMEN STAFF

68 pink polling booths to boost women voters

SATYIKA MAHAJAN

NEW DELHI: With civic polls on December 8, the State Election Commission has deployed several measures to ensure a smooth and safe election for all voters. The commission has deployed 170 companies of paramilitary forces across Delhi, identified 3,356 critical polling stations, and designated 68 pink polling booths as well as 68 model polling stations.

The SEC has set up the 68 pink polling stations across the national Capital to boost women voters, these pink booths will be managed by an all-women staff. As per SEC's data, there are 66,10,858 female voters in Delhi, making

for 45.57 per cent of the voter base. The total number of voters is 1,45,05,322 as per the SEC.

Other than having an all female staff, the pink polling stations will also have childcare facilities as per a senior SEC official. These stations will also have ramps and wheelchairs for the persons with disabilities. SEC has set up these polling booths taking cognizance of the safety and comfort of the several female voters. Some of the pink polling booths are in Chandni Chowk, Lado Sarai, Hazrat Khos, Seemapur, Mangol Puri and Uttar Nagar.

Similarly, the 68 model polling stations have been set up with attractions such as a selfie point for voters across

Delhi. These stations will also have facilities for senior citizens and persons with disabilities such as ramps and wheelchairs with attendants. Medical staff will also be present at the polling stations. Voters can post their selves after voting and tag the SEC.

The SEC has also identified 3,356 critical/sensitive polling stations these stations will have micro-observers. They also plan to webcast at these locations for security reasons. These areas have been identified keeping the safety of citizens in mind. The SEC is hoping all these initiatives help in increasing voter turnout significantly. The voter turnout for MCD polls in 2017 was 53.55 per cent.
